May God bless and keep you always

May your wishes all come true

May you always do for others

And let others do for you

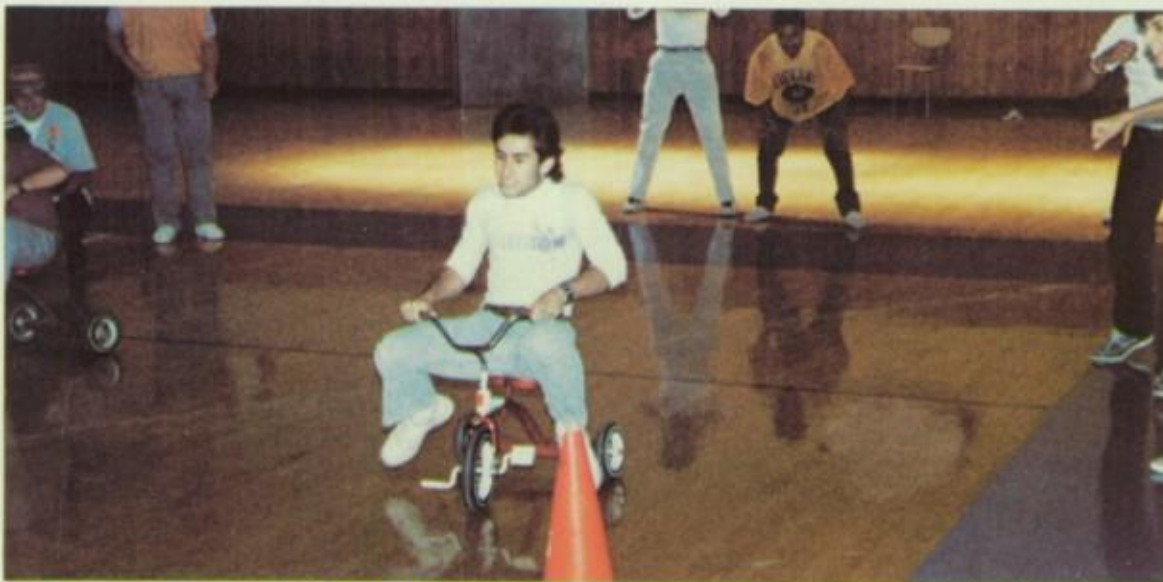

May you build a ladder to the stars

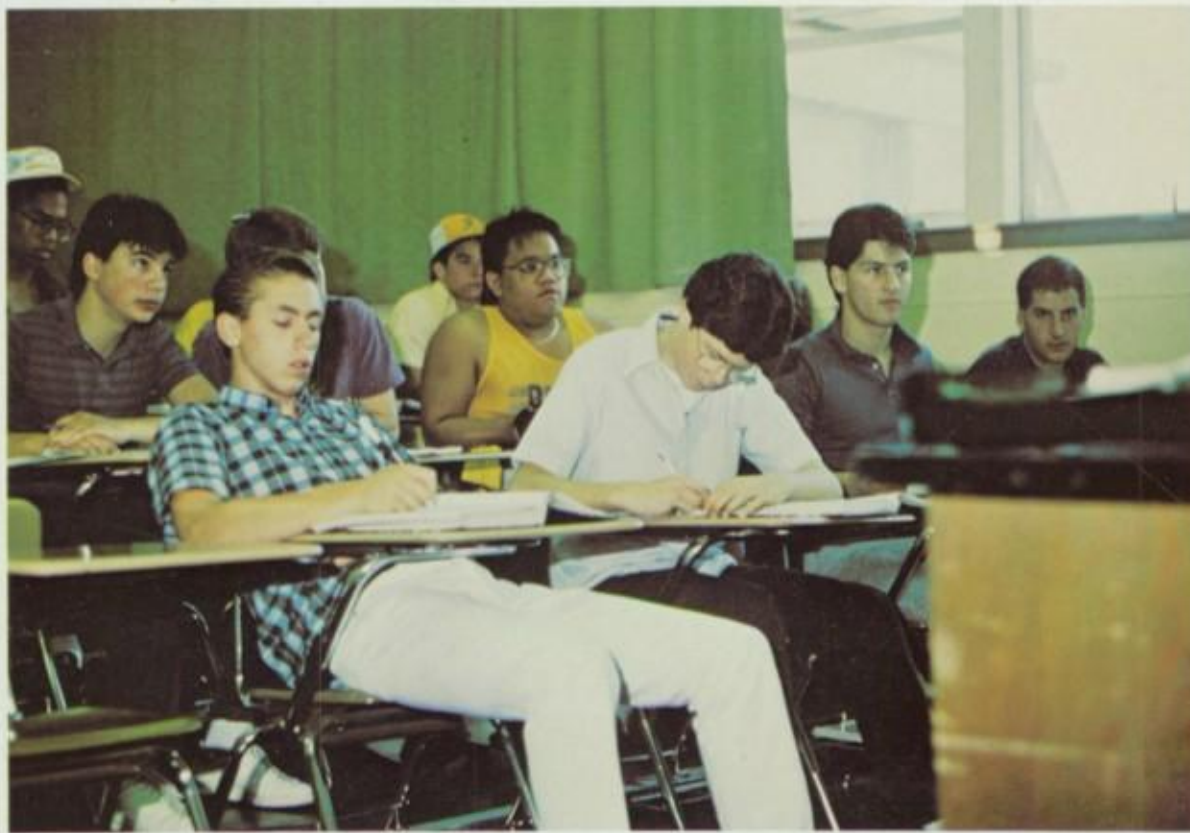

And climb on every rung

And may you stay . . . forever young

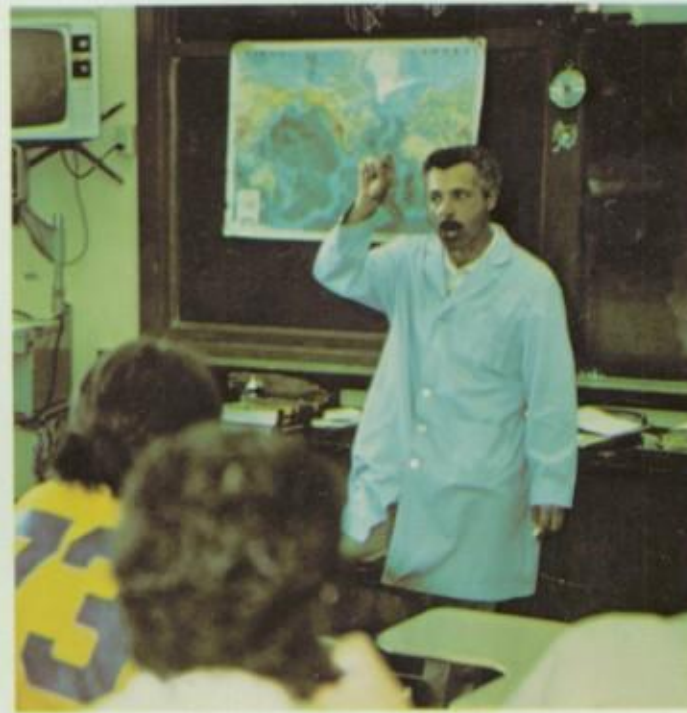

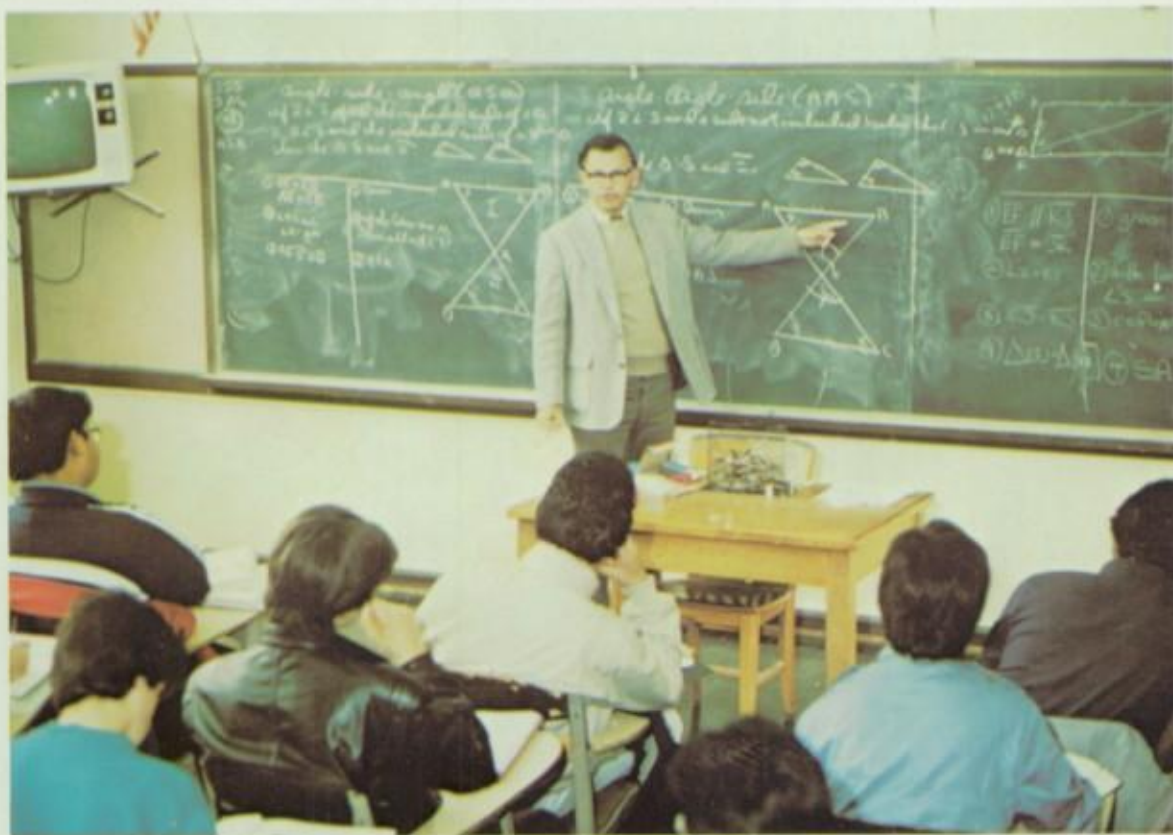

May you grow up to be righteous

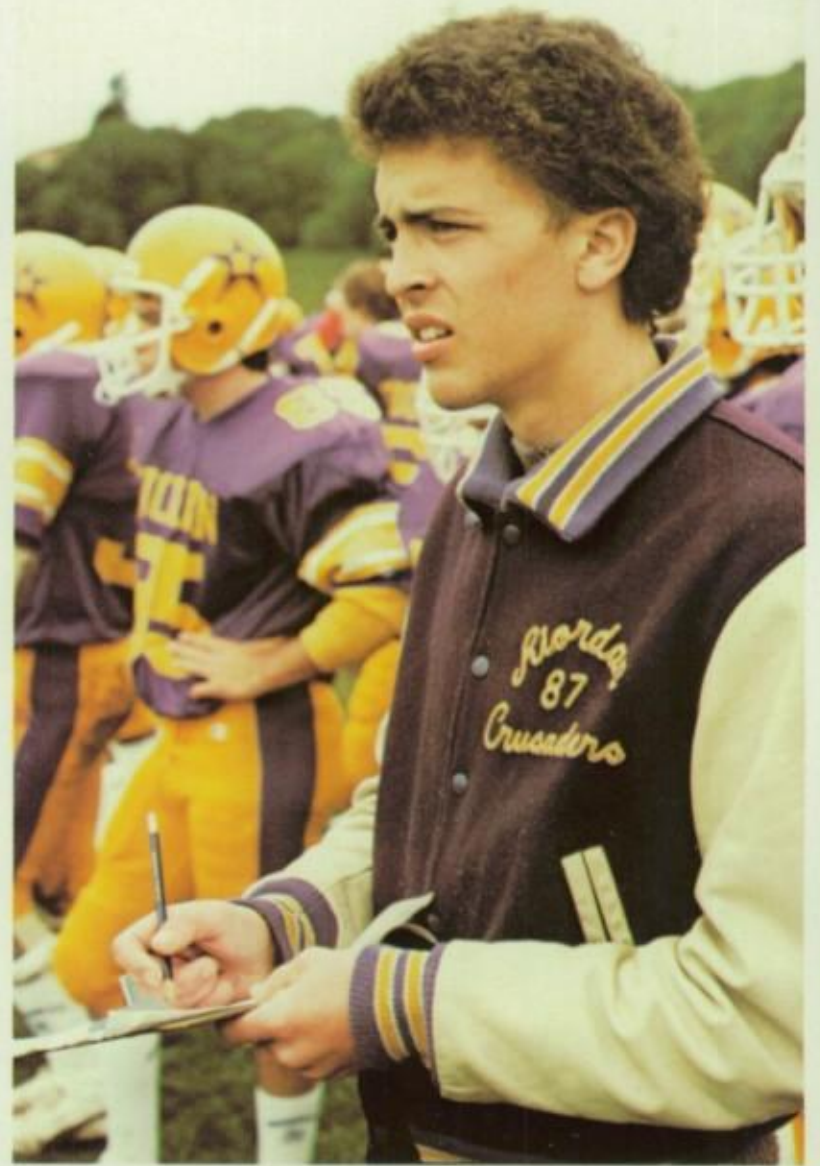

May you grow up to be true

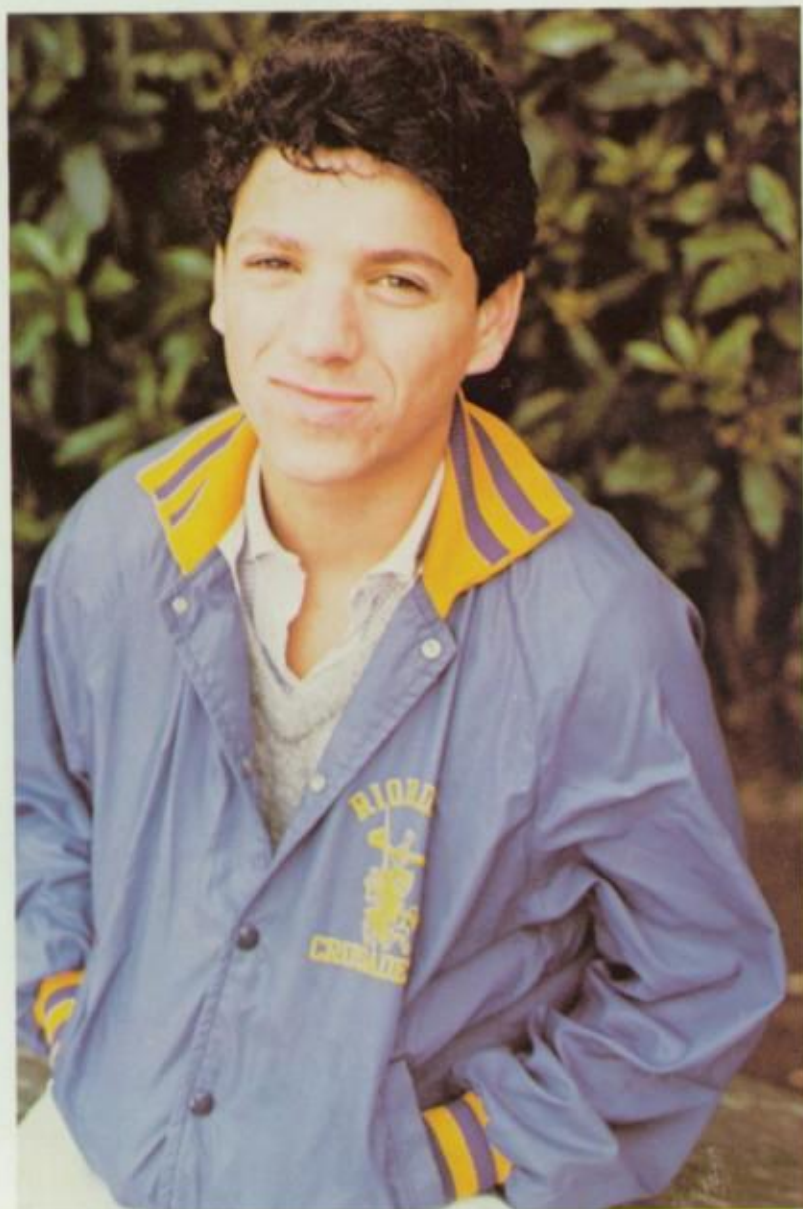

May you always know the truth

And see the light surrounding you

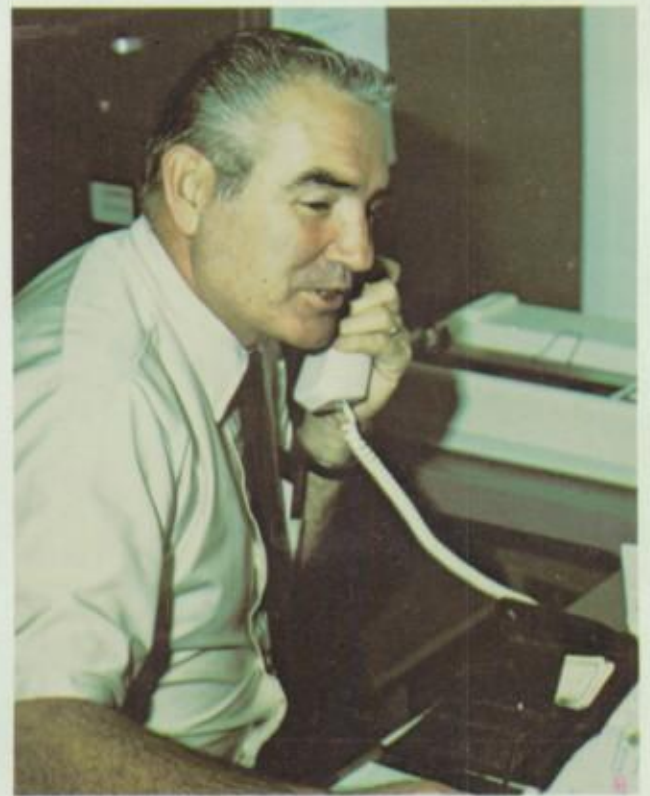

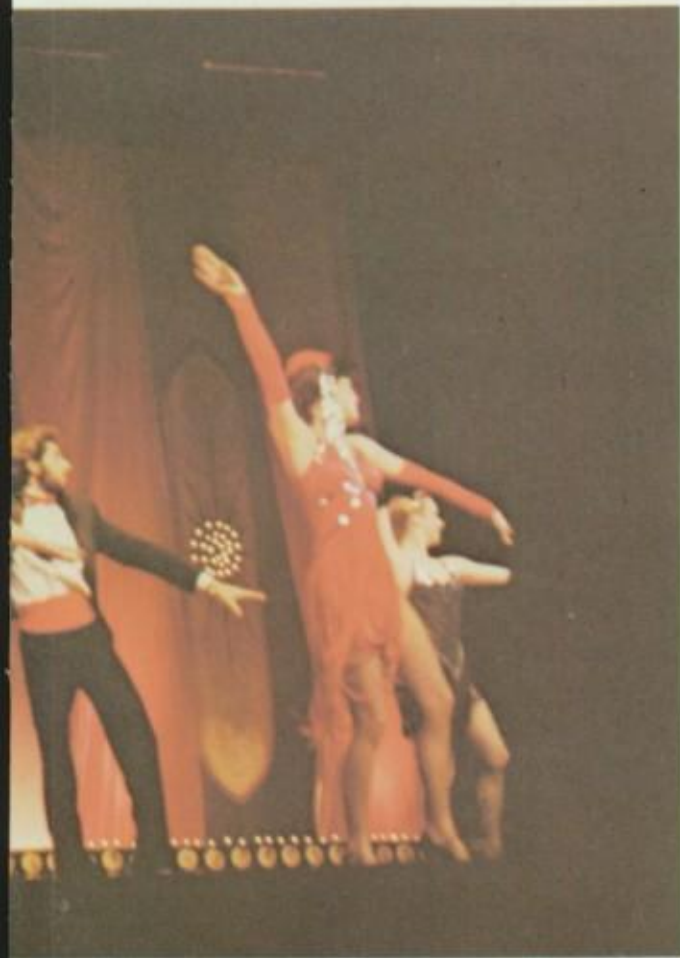

May you always be courageous

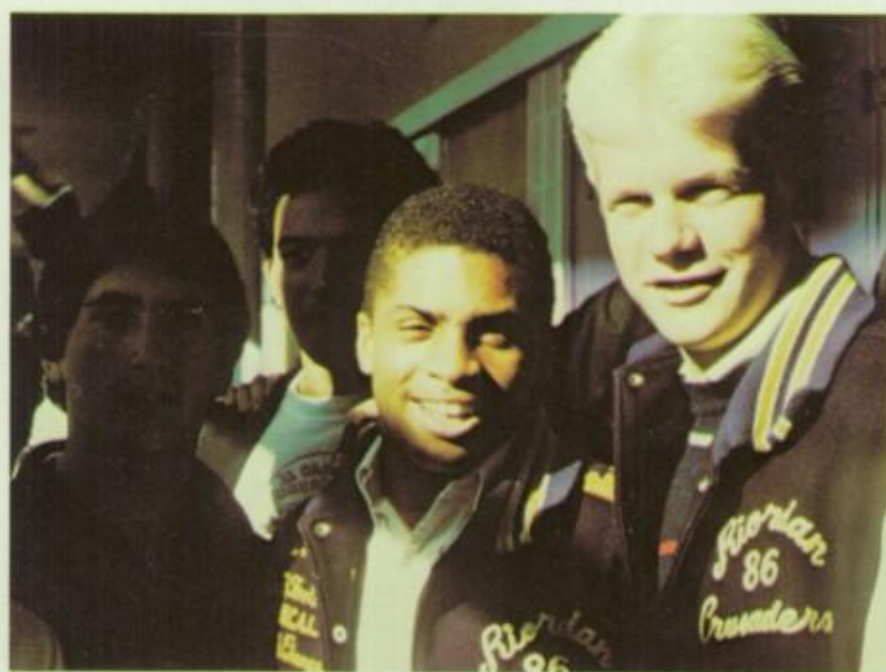

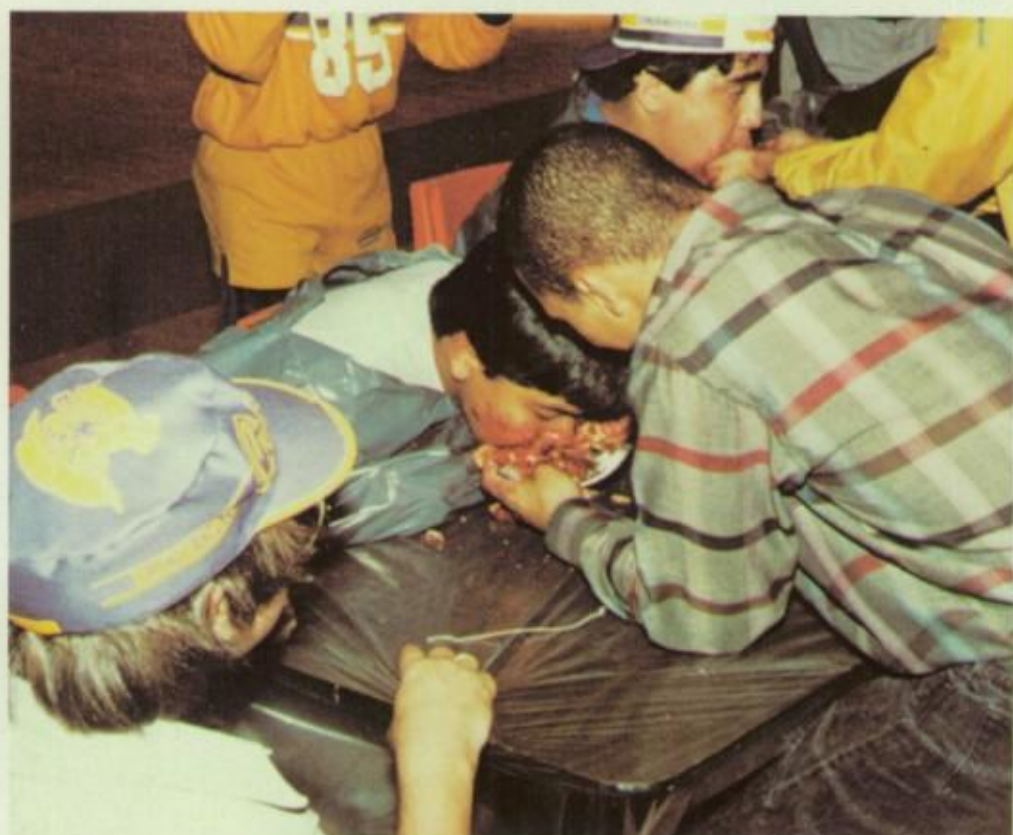

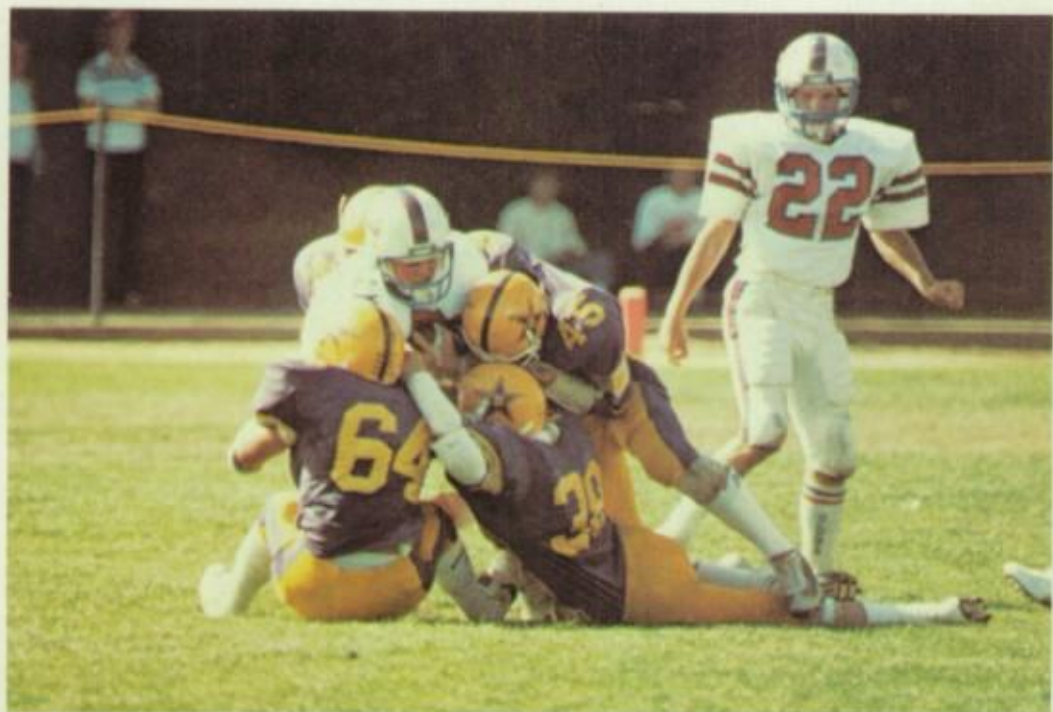

Stand upright and be strong

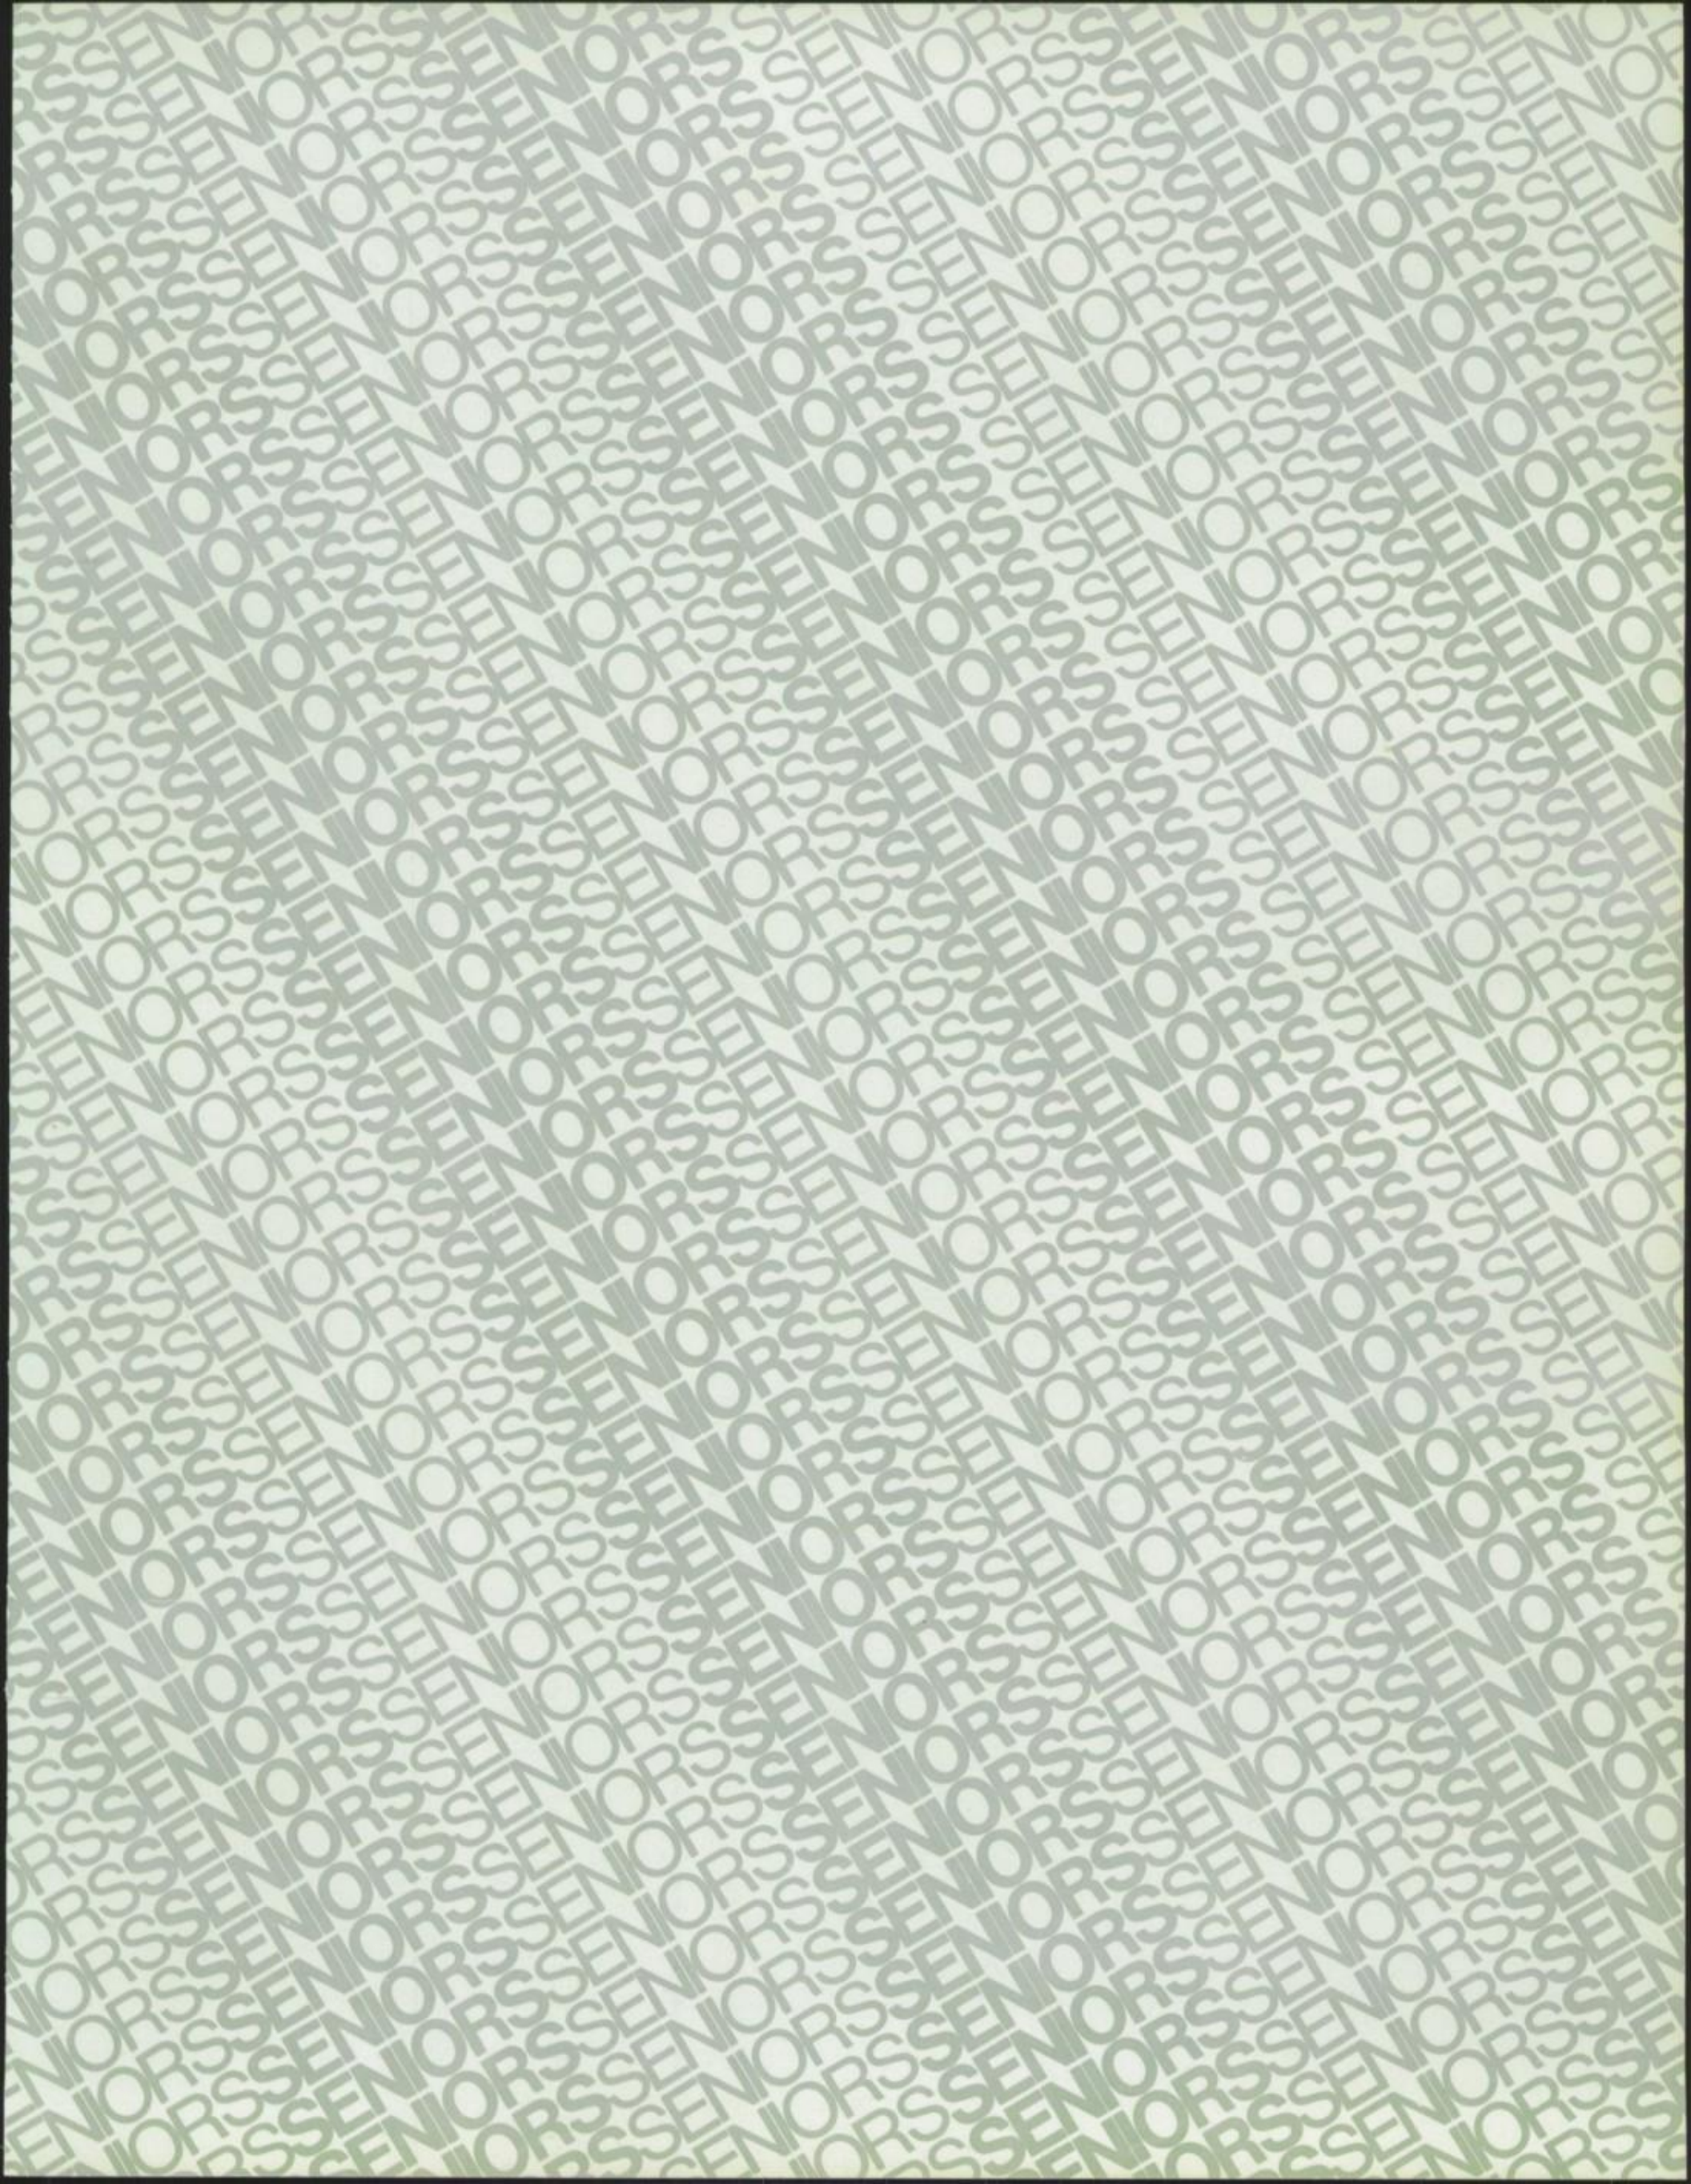

And may you stay forever young

Forever young forever young

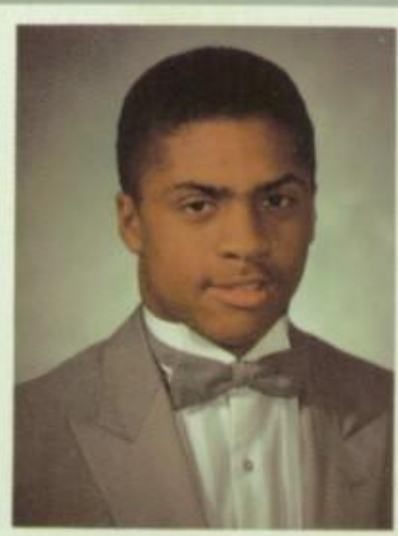

May you stay forever young

CAMPUS MINISTRY

The Spiritual Life of the Riordan Community is an important aspect of a student's life. The Campus Ministry Team organized many services and programs for the Riordan Community during the school year 1986-86. Canned food drives, fast days, mission collections, student aides in hospitals, volunteers as tutors in our grammar schools were all ways in which we as a community tried to respond to the less fortunate and to the larger community.

RETREAT PROGRAM:

The Campus Ministry Team organized a four year retreat program during this past year. These retreats consist of discussions and activities directed towards helping the students grow in their self understanding, in their relationships with others, and in their relationship with God. Along with this growth, students are provided opportunities for opening new channels of communication and understanding with Riordan faculty, friends, and fellow students within the school community. The retreats are designed to be an experience in Christianity.

A. *Freshmen Retreat:* All Freshmen go through a mini-retreat known as Challenge Days. These retreats are organized with upperclassmen acting as discussion leaders. This past year we invited parents to join their sons for the closing liturgy and a pot luck dinner.

B. *Sophomore Retreat:* An overnight retreat is offered each semester for the Sophomores who would like to participate. These retreats are held at the Yosemite Institute in Marin Headlands. The participants begin to understand how much God loves them and how valuable they are as persons.

C. *Kairos Retreat:* This is a deeply personal retreat program that involves the entire Riordan Community: students, teachers and parents. It is open to Juniors and Seniors. It lasts for three days and it is offered once each semester. This retreat gives participants an opportunity to look within themselves and find their true worth and observe how this worth is reinforced in their relationship with God and their neighbor.

D. *L.I.F.E. Program:* (living in faith experience) This is a Marianist Sponsored program during the summer, which involves students from Hawaii and California in a one week coed leadership program. The retreatants assist the Office of Campus Ministry when they return. They are prepared to be retreat leaders.

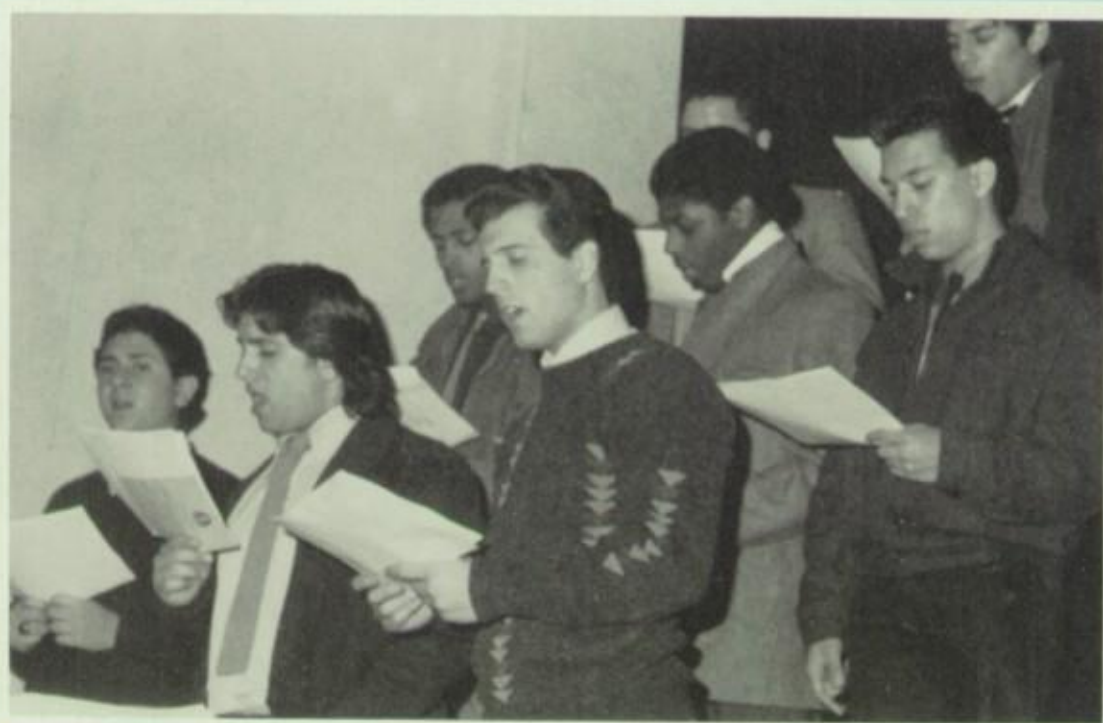

E. *Los Angeles Retreat:* During the month of February a group of students participate in the "Youth Dat" Convention in Anaheim with about 10,000 teenagers. This year participants from Riordan took part in the Los Ninos program by working in orphanages in Tiajuana.

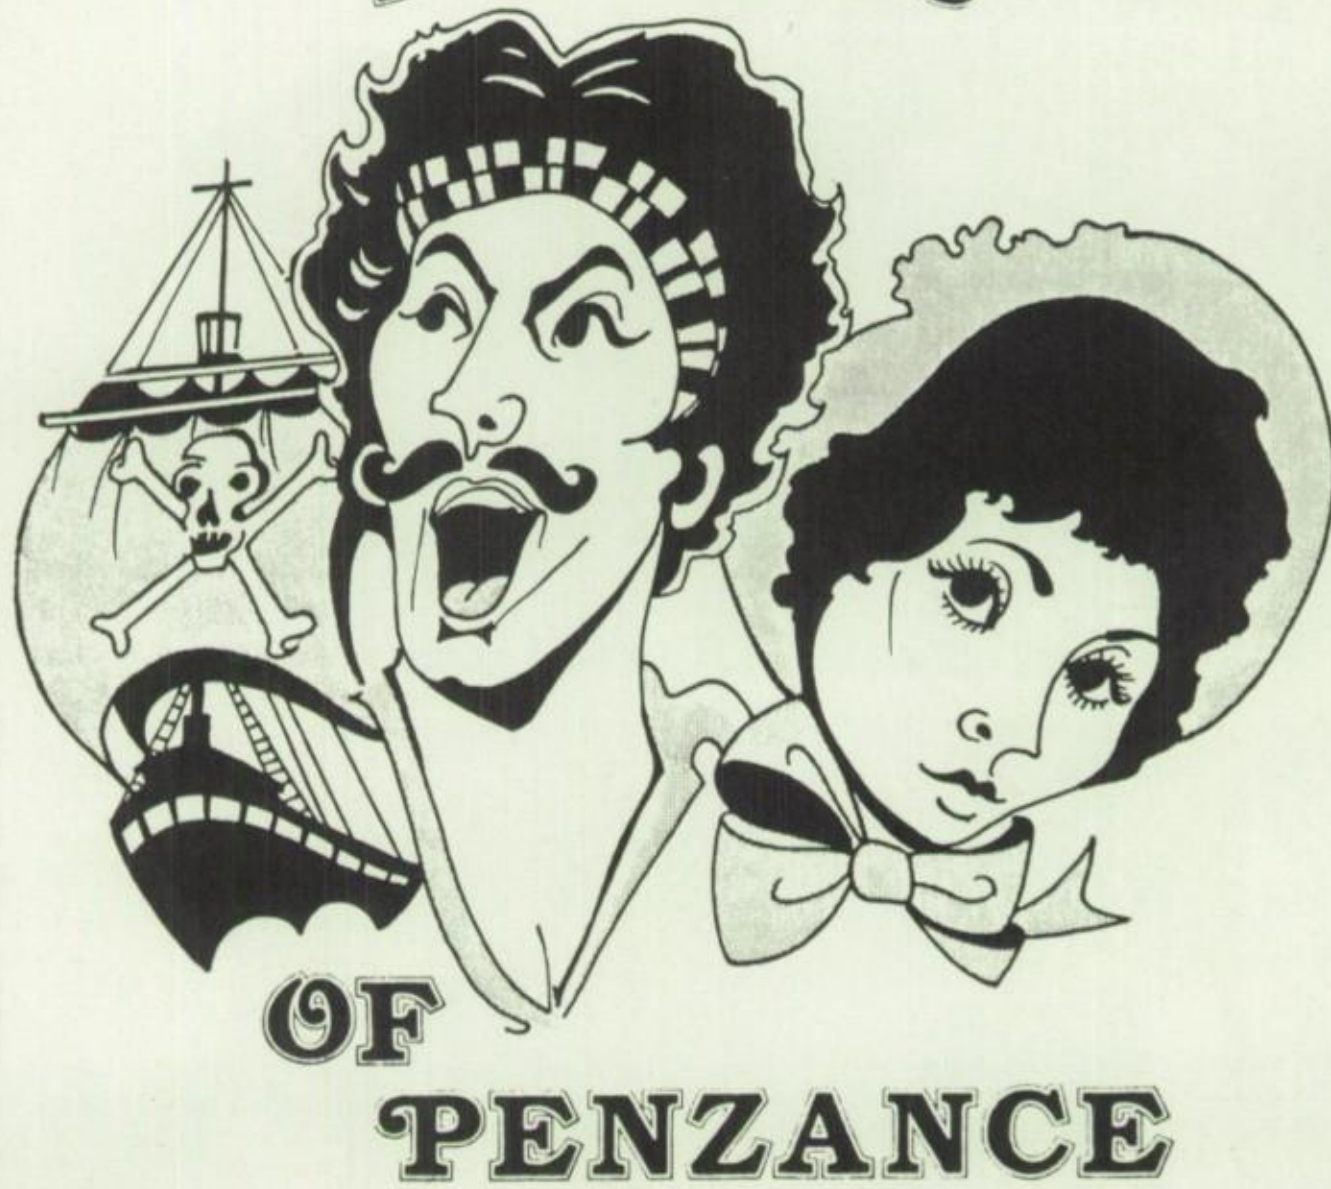

Liturgical activities are organized at Riordan to offer to students, faculty and parents the opportunity to experience the joyful worship of our Creator together as a praying community. Many student body masses take place during the school year when appropriate to the season and the community. Team liturgies and prayer services are conducted often. A regular Communion service is offered every day at two different times. Reconciliation services are offered by Religion classes during Advent and Lent.

BLOOD DRIVE

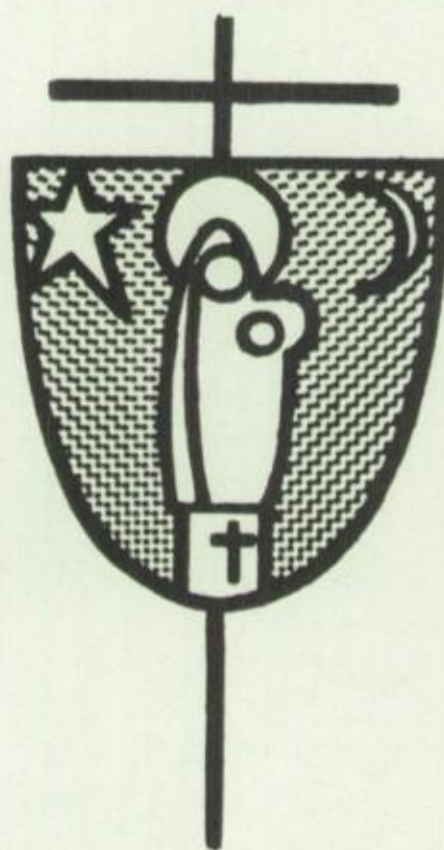

Once again Riordan sponsored two Blood Drives for the Irwin Memorial Blood Bank of San Francisco. Riordan has become one of the leading donors to the Blood Bank. This year the students and faculty donated over 150 pints of blood. Senior Greg Collaco spearheaded the drive and was assisted by a number of seniors. Others who donated much time besides a pint of blood were Pat Ryan and Kevin Savage.

May 14, 1986

On May 14, 1986 Br. James Condon celebrated his fiftieth year as a Marianist. Br., a native of San Francisco has dedicated his last twenty years to the service of the students of Riordan High School. Br. Jim has always represented the true meaning of a Christian gentleman. His actions have always been a tremendous example to all the students he has come in contact with. The class of 1986 would like to dedicate this book to Br. James Condon, S.M.
